

QUANTUMRX DRAGO

PRODUCT SUMMARY

QuantumRX Drago is a herbal extract derived from the sap of *Croton lechleri*, a tree that is native to South America. The sap is commonly known as *Sangre de drago* meaning 'dragon's blood'.

MORE INFORMATION

QuantumRX Drago is ecologically wildcrafted with respect to sustainability. *Croton lechleri* has a long history of indigenous use in the rainforest and all over South America.

Croton lechleri is commonly used internally to support the immune system, wound recovery, gastrointestinal health, gum health, skin health, female hormonal balance and pre-menstrual support.

Your essential travel companion, BioTrace Drago may help support the digestive system, gastrointestinal system, and immune system during times of stress.

Croton lechleri has a long tradition of use for a variety of ailments and can be used as a general tonic. Herbal knowledge has been passed on orally down through the generations in the Peruvian Amazon.

- The ultimate travel companion

- May support gastrointestinal health
 - May support the immune system
- May support female hormonal balance
- May support wound healing and skin health
