

QUANTUMRX TRIGOSA

PRODUCT SUMMARY

QuantumRX Trigosa is sourced from the leaves of the Trumpet Tree (*Cecropia strigosa*), native to South America and the West Indies. This unique herb has been used by Indian tribes for hundreds of years.

MORE INFORMATION

QuantumRX Trigosa is ecologically wildcrafted with respect to sustainability. It is primarily used to support the immune system during times of stress.

Scientific research shows that the *Cecropia* species possess astringent and antioxidant properties, and may support heart and liver health.

Indian tribes traditionally used the leaves of all species of the *Cecropia* genus to support respiratory health, kidney health and joint health.

In Mexico *Cecropia strigosa* is used to support healthy blood glucose levels.

Cecropia strigosa has a long tradition of use for a variety of ailments. Herbal knowledge has been passed on orally down through the generations in the Peruvian Amazon.

- Ecologically wildcrafted

- May support the immune system
 - May support respiratory health
