

AC GRACE UNIQUE E

\$55.20 - \$175.10 inc GST

PRODUCT SUMMARY

Concentrated formula providing the synergistic benefits of the complete Vitamin E tocopherol complex (d-alpha, d-beta, d-gamma and d-delta tocopherols) to deliver the highest biological activity.

MORE INFORMATION

Vitamin E is a natural substance available in foods such as nuts, vegetable oils, leafy greens and whole grains. In nature, the Vitamin E family includes eight compounds: alpha, beta, gamma and delta tocopherols and alpha, beta, gamma and delta tocotrienols. Although tocopherols and tocotrienols both exist in nature, plants differ widely in their Vitamin E proportions, and tocopherols are well utilized by humans.
