

QUANTUMRX MENTOSA

PRODUCT SUMMARY

QuantumRX Mentosa is sourced from the woody bark of Cat's Claw (*Uncaria tomentosa*) vine, native to South and Central America.

Uncaria tomentosa has been used medicinally by Indian tribes in Peru for more than 2,000 years.

MORE INFORMATION

QuantumRX Mentosa is ecologically wildcrafted with respect to sustainability.

Uncaria tomentosa is traditionally used to support the immune system, respiratory health, digestive system, bowel health, joint health and as an antioxidant.

Scientific research shows that *Uncaria tomentosa* contains alkaloids that may support heart health and normal blood pressure.

Research also shows that *Uncaria tomentosa* contains several compounds that may support the immune system and gastrointestinal health.

Uncaria tomentosa has a long tradition of use for a variety of ailments and can be used as a general tonic. Herbal knowledge has been passed on orally down through the generations in the

Peruvian Amazon.
