PRODUCT SUMMARY

BioTrace Cogni Complex is a herbal formula designed to support brain health, mental clarity and focus. It contains a blend of scientifically researched herbs in a vegan capsule with no toxic excipients.

MORE INFORMATION

Brain health can be affected by oxidative stress and aging. Bacopa, Ginkgo, Rhodiola, Gotu Kola, and Rosemary are all powerful antioxidants that may support brain health and healthy aging, mental clarity and alertness.

Scientific studies show that Bacopa may support learning, mental clarity and daytime energy levels.

Research shows that Ginkgo may support brain function and mental clarity in people of all ages.

Salidroside is the main constituent of *Rhodiola crenulata* and research indicates that it has potent antioxidant and neuroprotective properties.

Research shows that Gotu Kola may protect the brain from oxidative stress induced by neurotoxins.

Mood disorders often coexist with gut dysbiosis. Research shows that Rosemary may support balanced mood and gut health.

- May support brain health
- May support mental clarity
- May support balanced mood
- May support gut health
