

## QUANTUMRX PHORA

### PRODUCT SUMMARY

QuantumRX Phora is a herbal extract derived from *Phoradendron crassifolium*, a species of mistletoe that is native to South America.

### MORE INFORMATION

QuantumRX Phora is ecologically wildcrafted with respect to sustainability. *P. crassifolium* has a long history of indigenous use in the rainforest and all over South America.

*P. crassifolium* is traditionally used as an antioxidant for the brain and nervous system. Research shows that it may support brain health, mental clarity and alertness.

*P. crassifolium* may also support metabolic health especially in relation to nerve function and eye health.

- May support brain function
- May support nerve function
- May support metabolic health
- May support detoxification
