

QUANTUMRX PARSELIN

PRODUCT SUMMARY

QuantumRX Parselin is a herbal extract derived from the leaves and stems of *Petroselinum crispum* (Parsley). It is native to the Mediterranean Region and is cultivated worldwide.

MORE INFORMATION

QuantumRX Parselin is ecologically wildcrafted with respect to sustainability. It provides gentle detoxification and kidney support.

Parsley herb extract is traditionally used for bladder and urinary system support, kidney function and digestive function.

Environmental chemicals and toxic metals can affect brain health, mood, memory and concentration. Scientific research supports the neuroprotective and antioxidant properties of *Petroselinum crispum*.

Scientific research indicates that parsley extract is an antioxidant herb that may support liver, brain and digestive health.

- Ecologically wildcrafted
- May support kidney function
- May support the urinary system

- May support detoxification
- May support brain health
