

QUANTUMRX PIMPELLA

PRODUCT SUMMARY

QuantumRX Pimpella is a herbal extract derived from *Pimpinella anisum*, a flowering plant native to South America, the Mediterranean Region and the Middle East.

MORE INFORMATION

QuantumRX Pimpella is ecologically wildcrafted with respect to sustainability. It is an antioxidant for the brain and nervous system.

Environmental chemicals and toxic metals can affect brain health, mood, mental clarity and focus. Scientific research supports the neuroprotective and antioxidant properties of *Pimpinella anisum*.

QuantumRX Pimpella can be helpful for supporting brain health, mental clarity and mood balance in adults and children.

QuantumRX Pimpella may also support liver function and digestive function, especially digestive upset related to mood disorders.

Pimpinella anisum has a long tradition of use for a variety of ailments. Herbal knowledge has been passed on orally down through the generations in the Peruvian Amazon.

- Ecologically wildcrafted
- May assist detoxification
- May support brain health
- May support mental clarity
- May support the nervous system
