PRODUCT SUMMARY

BioTrace CanShield Plus provides natural support in the maintenance of normal yeast levels and intestinal immunity.

MORE INFORMATION

An imbalance in our normal gut flora can weaken the immune system and result in many symptoms including bloating, gassiness, digestive issues, sugar cravings and fatigue.

CanShield Plus is a herbal blend that has been specifically designed to support a healthy balance of gut, skin and vaginal microflora and maintain optimum immune system defence against several invaders.

- May provide natural support in the maintenance of healthy yeast levels
 - May support a healthy balance of gut, skin and vaginal microflora
 - May provide immune support following antibiotic use
