

QUANTUMRX MANAPA

PRODUCT SUMMARY

QuantumRX Manapa is a herbal extract derived from *Desmodium molliculum*, a perennial plant that is native to South America. It provides cleansing and detoxification support for the whole body.

MORE INFORMATION

QuantumRX Manapa is ecologically wildcrafted with respect to sustainability. It may support the liver, kidney and lymphatic system in times of stress.

D. molliculum has been used medicinally for centuries in Peru and throughout the Andean region. Scientific research supports its antioxidant properties.

QuantumRX Manapa is primarily used for supporting detoxification. It may support blood cleansing and support the body through a Herxheimer reaction (detox symptoms).

Traditionally, *D. molliculum* is used for liver support, allergy support, digestive support and for helping to maintain a healthy weight.

D. molliculum has a long tradition of use for a variety of ailments. Herbal knowledge has been passed on orally down through the generations in the Peruvian Amazon.

- Ecologically wildcrafted
- May support detoxification
