

BIOTRACE GASTRO SOOTHE

\$59.00 inc GST

PRODUCT SUMMARY

Gastro Soothe provides comprehensive gastrointestinal support with a synergistic blend of herbs and supportive digestive enzymes to calm the gastrointestinal system and support digestive comfort.

MORE INFORMATION

Many people experience gastric bloating and wind. Gastro Soothe has been designed using a blend of herbs to help soothe the gastrointestinal system and provide support to aid digestion.

Gastro Soothe contains Fennel which has a long history of use as a digestive aid, helping calm digestive system by relaxing smooth muscle in the intestines to reduce gas, bloating and flatulence.

Marshmallow has been shown to have a soothing, protective action on mucous membranes to support healthy digestive function and is a source of soluble fibre.

Gotu Kola is a revered herb in Ayurveda, and studies have shown it to be preventative against damage to gastric lining. It is known as a powerful wound healing herb and provides antioxidant action. It may support digestive function and gastric comfort.

Prickly Ash Bark is traditionally used to increase saliva flow, and to support healthy digestive function. It is often used in formulas to support blood and lymphatic flow.

Gastro Soothe contains the digestive enzymes Bromelain, and Papaya which may be supportive for digestive comfort.

Can be taken as a tea before meals, simply open the capsule into a 200mL of hot water and drink 15 mins before eating.

- Synergistic blend of herbs which may support gastrointestinal health
- Gentle formula for even the most irritated digestive systems to support comfort
 - Contains enzymes to assist with protein digestion
