

BIOTRACE ORGANIC SURFACE CLEANSER

\$19.00 - \$35.00 inc GST

PRODUCT SUMMARY

BioTrace Organic Surface Cleanser is a natural antibacterial multi surface cleanser that also deodorises. It is made from organic tea tree oil and free from harmful synthetic ingredients, emulsifiers, or preservatives.

MORE INFORMATION

BioTrace Organic Surface Cleanser is made from organically grown tea trees (*Melaleuca alternifolia*) and extracted through a steam distillation process. Tea tree oil has been used as a traditional medicine by Aborigines for centuries for its germ fighting properties.

Tea tree oil is an ideal natural cleaner and has been shown to kill common bacteria and fungi, making BioTrace Organic Surface Cleanser a potent antibacterial wipe for all surfaces and is perfect for the kitchen where food preparation happens.

BioTrace Organic Surface Cleanser is also ideal for the bathroom since it neutralises unpleasant odours while keeping mould away in showers and hard to get to corners.

- Antibacterial
- Suitable for all Surfaces
- Deodorises with a Fresh Scent

- No Nasty Chemicals
