

QUANTUMRX TOBA

PRODUCT SUMMARY

QuantumRX Toba is a herbal extract derived from the bark of *Otoba parvifolia*, a tree that is native to South America.

MORE INFORMATION

QuantumRX Toba is ecologically wildcrafted with respect to sustainability. It may support intestinal health and the immune system during times of stress.

In traditional Peruvian medicine decoction or infusion of *Otoba parvifolia* bark was used as an immune booster, and to support and maintain a healthy digestive tract.

Otoba parvifolia has a long tradition of use for a variety of ailments. Herbal knowledge has been passed on orally down through the generations in the Peruvian Amazon.

- Ecologically wildcrafted
- May support immune system defence
 - May support intestinal health
 - May support digestive function
