

## PRL DIGESTASE SP

**\$88.10 inc GST**

### PRODUCT SUMMARY

- Supports the digestion of carbohydrates and protein, including gluten\*
- Features an advanced, full-spectrum digestive enzyme blend with six different effective enzymes\*
- Peptidase and serratiopeptidase enzymes help catalyze the breakdown of complex proteins into amino acids\*

### MORE INFORMATION

Efficient digestion is one of the most important keys to maintaining great health. Digestase-SP™ provides an extraordinary plant-based enzyme formula that offers specialized enzymes to support the digestion of carbohydrates and protein, including gluten.\*

This formula supplies hemicellulase and beta-glucanase enzymes which support the breakdown of fiber. By acting to break down cell wall components and phytic acid, these enzymes promote the nutrient bioavailability of foods that contain fiber. Glucoamylase enzymes in this formula help to hydrolyze the glucoside bond in starches and dextrins.

Alpha-galactosidase enzymes, as found in this formula, promote the breakdown of specific complex carbohydrates, including raffinose and stachyose which are found in certain legumes, grains, and vegetables. Thus, these enzymes may help relieve occasional intestinal gas or

bloating.\* Peptidase and serratiopeptidase enzymes help catalyze the hydrolysis of peptides or peptones to amino acids, including gluten.

This formula is suitable for vegetarians, vegans, and those who are gluten-intolerant. For those who are gluten-intolerant and who eat out at restaurants, Digestase-SP™ may be an excellent formula to take with each restaurant meal (which may have hidden gluten in certain foods).

**SKU:** 500-326 | **Categories:** [Brand](#), [PRL](#), [Practitioner Range](#) | **Tags:** [Digestion](#), [Inflammation](#)

PRODUCT DESCRIPTION

Serving Size 1 Capsule

Proprietary Enzyme Blend	156 mg
Peptidase Enzymes DPP IV	36,000 HUT <sup>1</sup>
Serratiopeptidase Enzymes	2,880 SPU <sup>2</sup>
Glucoamylase Enzymes	27 AGU <sup>5</sup>
Beta Glucanase Enzymes	28 BGU <sup>4</sup>
Alpha Galactosidase Enzymes	144 GalU <sup>6</sup>
Hemicellulase Enzymes	215 HCU <sup>3</sup>

<sup>1</sup>Hemoglobin Unit, <sup>2</sup>Serratiopeptidase Unit, <sup>3</sup>Hemicellulase Unit, <sup>4</sup>Beta Glucanase Unit,  
<sup>5</sup>Amyoglucosidase Activity Unit, <sup>6</sup>Galactosidase Unit

**Other Ingredients:** Organic Rice Bran, Tapioca Dextrin, Plant-Source Capsule (cellulose, water), Potato Dextrin, Proprietary fermentation media (wheat, soy, milk)  
Very small trace amounts may or may not exist after fermentation

**Please note:** Due to the natural components of Premier Research Lab's supplements, ingredient levels may change between product batches. Please refer to product label if uncertain.

**ADDITIONAL INFORMATION**

<b>Weight</b>	65 g
<b>Dimensions</b>	60 × 60 × 100 mm
<b>Indications</b>	Digestion, Inflammation
<b>Size</b>	60 Caps

Take one capsule with each meal daily. Especially effective when taken with cooked meals and premier digest.

Nutritional supplements should be stored in a cool, dry place, with caps tightly closed, and out of reach from children. Take only as directed.

**THERE ARE NO REVIEWS YET.**
