PRL TAURINE BLEND

\$61.30 inc GST

A sulphur-containing amino acid-like nutrient, is the most abundant free amino acid in the heart and the nervous system, and supports natural detoxification processes.

Taurine plays a recognised role in the health of the brain, heart, gallbladder, eyes and the cardiovascular system. It facilitates the production of bile which aids the absorption of fat-soluble vitamins.

SKU: 500-440 | Categories: Brand, PRL, Practitioner Range | Tags: Cardiovascular, Digestion
